

# Scarborough Athletic FC Supporters Club

## Membership Form 2007-2008

Why should you join the Scarborough Athletic Supporters Club?

Well, you may not get anything financially in return, but at least you get to feel that you are a part of the football club.

But once we are fully set up and running, we hope that there will be discounts on all away travel and other Supporters Club events.

We hope to produce newsletters to keep everyone in touch with news and events, as not all members have access to the internet.

We will run fun events and items such as Golden Goal, Raffles, Fund raising ideas.

It only costs £5 per year (Adults) £2 (Under-16s) to join the Supporters Club.

Members of the committee can usually be found in the Club House for a short while after every home match,
